Hi Jeremy,

Thanks for the email. We will pull together some talking points regarding the proposed permit in preparation for the meeting.

Take care,
Dee

My understanding was that epa planned to hold consultation with the business committee on the proposed bonanza permit as a follow up to the meeting in Denver.

While the business committee agreed to this request for consultation I don't believe they have any other specific items to include on an agenda for the meeting.

Hi Jeremy,

I think there may be some confusion here, our understanding was that the Business Council requested a meeting with us prior to the public hearing on the proposed permit. We are happy to meet with the Business Council, however, if there is not a need, we can certainly cancel the meeting. Please let us know your preference.

Thanks,
Dee

We assumed EPA would be submitting the agenda since you requested the meeting.

Hi Jeremy,

In preparation for the meeting with the Ute Indian Tribe Business Council detailed below, could you please provide me with an agenda or a list of topics that will be discussed at the 9 am meeting regarding the proposed Deseret Title V permit?

Thanks,
Dee

Yes that will work.

Thomasina, please work with Reannin to see this is added to the BC calendar in place of our attorney report that morning.

Thanks

Hi Jeremy,

A few weeks ago you requested that EPA meet with the Ute Indian Tribe Business Committee to discuss EPA's proposal to issue a Title V CAA permit for Deseret Bonanza. A public hearing for this draft permit is scheduled from 1-4 pm and 6-8 pm on 6/3/14. Setup in the Ute Tribe Auditorium is scheduled from 12 noon -1 pm.

Would it be possible for EPA to meet with the Ute Indian Tribe Business Committee to discuss issues related to the proposed permit from 9-11 am on 6/3/14 ? Elyana Sutin, EPA Regional Judicial Officer and Deirdre Rothery, Air Program, Unit Supervisor, administering the hearing will be available during the morning of 6/3 for this meeting.

Thank You,
Matt
